Marchwood Rally

13th to 15th June 2025

A return visit to Marchwood Yacht Club after several years. Severn boats attended, some new to Moody rallies. Five of the boats sailed down on Friday night and enjoyed the good food and cheap alcohol in the clubhouse. Two boat crews attended by road for the pontoon party, meal and quiz.

The weather was kind to us for this rally with two boats completing the Dixon race on the way to the event.

On Saturday some boat crews walked to Eling Tide Mill and some walked to a nearby classic car auction. No cars purchased. Entertainment was provided by the cruise and container ship manoeuvres.

Marchwood provided us with a lovely meal and a warm welcome. Big thankyou to Marie the chef. We were joined by some Marchwood members to form 6 quiz teams. Quiz was organised and hosted by Pete Moody. Quiz results were close and ended with a music round where dancing was encouraged to gain more points if unable to name band or song.
